What kind of weddings I shoot

I am with you to catch all the emotions of your wedding day!

For me the most important thing is when my couples feel comfortable in the process of shooting and happy!

I photograph elopement weddings with a photo shoot around the island, and small weddings with the closest of family or friends in small cozy villas, as well as large weddings for 80-100 people, and more, in the most famous venues of Santorini and Greece.

I have extensive experience with weddings, and I will find a solution in any situation and provide you with the best advice.

Regardless of where you are getting married,

I will be happy to be a part
of your Big Day!

Frequently Asked Questions

HOW FAR SHOULD WE BOOK IN ADVANCE A PHOTOGRAPHER?

Many couples book me more than one year in advance, and even two.

I also receive spontaneous requests for photography services when the wedding date is already in a week (there are unexpected circumstances when you need a photographer urgently).

So the earlier you contact me, the more likely your date is still available on my calendar.

Just contact me as soon as your date is set.

HOW WILL WE RECEIVE OUR PHOTOS ?

Your personalized private online gallery on my website will be open within two weeks of your wedding. These photos will be ready to unlimited viewing, sharing, downloading in the highest quality full size JPEG to any device, without watermarks within one year of your wedding day.

Please feel free to share this link with your family and friends at no additional cost.

WHEN WILL WE GET THE PHOTOS AFTER OUR WEDDING ?

You will receive a Preview of 10-15 processed photos within 14 days of your wedding date, you will be able to share them on social media immediately, it's so exciting because everyone is waiting to see your Big day! You will receive all photos within three months of your wedding. I keep all of your photos on file for one year from the date of your wedding. This service is included in the price and there are no additional fees.

HOW MANY PICTURES OF OUR WEDDING WILL WE GET ?

You will get all the best photos of your wedding day at the rate of 50 photos per hour.

DO YOU USE AVAILABLE LIGHT OR FLASHES ?

For weddings, I prefer available light, but use flash when natural light isn't enough.

CAN I GET ALL THE PHOTOS FROM MY WEDDING DAY?

Yes, you can get all the RAW images for the 400 euros.

Frequently Asked Questions

WILL ALL THE PICTURES BE EDITED ?

Yes, you will receive all photos edited with standard color correction and light correction, and in high and web resolutions.

HOW IS YOUR STYLE CONCERNING EDITING? IS BLACK/WHITE POSSIBLE ?

All of the photos on my website have been edited in my own style, so you can get a feel for my work. Just a heads-up: the color, tone, and saturation of the photo will always depend on the time of day and the location of your wedding venue! Morning, afternoon, evening/sunset photos will never be in the same tone. That's why you'll see different color series of photos on my website. I'd love to hear your ideas at the consultation, so that I can make your dream photo come true!

Of course, some photos can be in black and white if that's what you'd like.

WHAT KIND OF EQUIPMENT DO YOU USE ?

I work with professional Equipment. I use digital SLRs Camera Canon Eos R5 and R6 bodies, Canon EOS 5D Mark IV. This equipment is combined with different Canon professional lenses. Of course I also use flash if necessary.

MY WEDDING VENUE REQUIRES PROOF OF LEGAL STATUS FROM THE PHOTOGRAPHER. DO YOU HAVE THAT?

Yes, I am a licensed professional photographer under Greek law. I can provide documents.

HOW DO YOU MANAGE THE PREPAYMENT FOR YOUR WORK ?

The retainer is 10% of the total amount.

CAN YOU RECOMMEND ANY OTHER WEDDING VENDORS TO US ?

Of course! I can advise you on tried and trusted wedding vendors.
